Leadership

- 2018|NYC DOB filing representative certificate

- AutoCAD tutor

- Accepted into the Carol Fabor Honors Program at Nassau Community College.

- Accepted into the Gold Key International Honor Society, which is the top 15% of the Farmingdale State College class.

Qualification Summary

- Project architect skillset– coordinated between architect, client & plan examiners to ensure on-time project expediting.
- Developing a 3D trade-coordination drawing. This allowed me to determine multiple conflicts in HVAC, plumbing and pneumatic system drawings on a multi-million dollar hospital project.
- Vast knowledge of architectural & construction document drafting & design/rendering software's such as Photoshop and Lumion

Professional Experience

BD Development|Jul-19 – Mar-20

Junior Estimator

- Coordinate between architect, sub-contractor's & client.

OMJ – Design|Jan-18 – May-19

- Project Architect
- Produced architectural & construction drawings for D.O.B approval.
- Assisted the architect with sustainability reports from Res/Com-Check.
- Assisted in compliance of applicable building code.
- Consulted client, plan examiner, and architect to aide in successful project outcome.

MVA – Architects|Oct-14 - Nov-16

- Architectural Drafter
- Similar responsibilities as at OMJ, but less hands-on for project coordinating.
